

MINUTES OF THE ASKOV PARKS COMMITTEE

SEPTEMBER 5, 2019

The meeting of the Askov Parks Committee came to order at 6:30 p.m. with the following members present: Mavis Degerstrom-Hanley, Kathy Morris, Sandy Gebhart, and Jason Ripley.

Seal Coating: Estimate on seal coating the basketball court at the same time as the tennis courts was received, \$5230.00 for a total of \$15,180 to do both. This price is only good for this fall. Concern regarding a warranty was brought up. Kathy will follow up with that. Mavis will request approval from the council to move forward.

Fence: Jason has not been able to look to see if chipping the concrete and resetting the posts is a possibility. Sentence to Serve is scheduled to be tomorrow to do the work. Kathy will postpone them until the end of the month giving Jason a chance to look at the project.

Town Hall Park: The hostas did not get planted before the fair. Planting will wait until. Sandy will talk to Taylor to see if she would like to help with developing a garden plan for the rest of the park. Mavis will contact Shawn to see if Vonda is still interested in helping with this also. This plan will be developed over the winter so that funding can be obtained.

Next meeting will take place on October 3, 2019 at 6:30 pm.
